

# INTERIOR DESIGN

240 ECTS

4 YEARS

BACHELOR'S DEGREE

ERASMUS +

|

The interior design or interior architecture is about working on the relationship of people and their environment. It is an essential part of our daily lives and affects the way we live, work, play, think... Create comfortable houses, attractive and functional public spaces, arouse emotions in the user, that is interior design.

MAKE YOUR DREAM COME TRUE

# INTERIOR DESIGN

**i** First semester – October January  
Second semester – February June

If you are interested in refurbishments, space design and adapt spaces to new uses. This is your degree!

You can become the professional to satisfy the high demand existing for rehabilitation / adaptation of the current building stock.

ESADA is an institution within the EHEA, young, vibrant and highly prepared to meet the challenges of current and future society. All of our programmes are official and regulated by the Spanish Government and the Regional Ministry of Education.

We train professionals and leaders in different fields of Design as well as Restoration of Cultural Property, they are effectively prepared for their insertion into an increasingly demanding labour market.

ESADA is leader in various fields such as:

- Betting in Project Based Learning (PBL) in all our degrees.
- Promoting innovation and research projects, which place us at the forefront of design schools in Spain.
- Offering an advanced English language programme throughout all the academic years.

All our efforts are focused to guarantee future employment for our students, this is our first priority in our educational project.

We are pleased to welcome our international students to our centre.

**es** Subject conducted in Spanish.
