MAKE YOUR DREAM COME TRUE

GRAPHIC DESIGN

i First semester – October January
Second semester – February June

In the era of information, visual communication is a key element to succeed, that makes the Graphic Designer a professional with a brilliant future.

This is a versatile degree that prepares people to work in advertising agencies, web designing, animation studios, illustration, etc ...

ESADA is an institution within the EHEA, young, vibrant and highly prepared to meet the challenges of current and future society. All our programmes are official and regulated by the Spanish Government and the Regional Ministry of Education.

We train professionals and leaders in different fields of Design as well as Restoration of Cultural Property, they are effectively prepared for their insertion into an increasingly demanding labour market.

ESADA is leader in various fields such as

- Betting in Project Based Learning (PBL) in all our degrees.
- Promoting innovation and research projects, which place us at the forefront of design schools in Spain.
- Offering an advanced English language programme throughout all the years.

All our efforts are focused to guarantee future employment for our students, this is our first priority in our educational project.

We are pleased to welcome our international students to our centre.

We offer classes in **Spanish**, but from the second year onwards, all projects must be presented and submitted in English.
